Personal Statement:

Studying HNC Level 4 Computing at Boston College, aspiring to be a Cyber Security Professional.

I have a passion for computing and would like to learn more about the industry and to make a career within IT, eventually I would like to work in Cyber Security once I have established myself.

Previous Work Experience

25/11/19 – 09/12/19

Giles Academy

Address: School Ln, Old Leake, Boston PE22 9LD

I did around 30-45 hours of work experience in the IT department, this was apart of my course at Boston College, during this I did jobs like replacing keyboards and mice as well as doing some troubleshooting to find out why PCs were not working.

08/10/21 – 15/10/21

Boston College

Address: Skirbeck Rd, Boston PE21 6JF

I did 5 hours of work experience by helping the colleges IT department audit the computers around the college, checking the names and reporting any that were broken.

27/11/21 – 04/12/21

Lymn Bank Cheese Co

Address: Lymn Bank Farm, Lymn Bank East, Thorpe St Peter PE24 4PJ

I worked there on the 2 Saturdays in this period as my father works there and he had mentioned they wanted some extra staff for Saturdays so I came in, this being my first paid job, what I did here was taking cheeses off one line and putting them onto another line or into crates and checking them quickly to ensure the wax cheeses did not have any leaks.

04/12/22 - 24/12/22

Marks and Spencer

Address of store: Skegness SF, Quora Retail Park, Burgh Road, Skegness, Lincs, PE25 2RJ

I was a Christmas temp, the role I mostly filled there was filling shelves and putting stock to and from the shop floor.

21/04/23 - 22/10/23 (due to closure of the restaurant)

Pizza Hut - Full range Back of House

Address: Skegness Retail Park, Heath Rd, Skegness PE25 3ST

Worked to maintain the kitchen, prepare and serve food to front of house to take to customers, ensure there was enough food to be made up and ensured the kitchen was kept clean.

27/10/23 - 23/12/23

Tesco - Festive Colleague

Address of store: Richmond Dr, Skegness PE25 3PQ

Filling shelves, and dealing with stock

10/01/24 - 03/04/24

Unique Products UK

Address: 2 Hassall Rd, Skegness PE25 3TB

Dispatcher, printing labels for orders and sorting them into different places variant on which company is delivering, IE evri, parcel force

Work Experience at Unique in IT:

While working at Unique Products, I have been able to do some work experience within the IT department, and learning about the job of which includes the inner workings of a website and the management of databases.
